Namibia Investment Forum, Windhoek, 29-30 November 2011
Enhancing Investment for Job and Wealth Creation

Dear Mr Botes,

I have the honour of inviting you to address the Namibia Investment Forum which will take place in Windhoek, Namibia on the 29-30 November 2011, in conjunction with the Government of Namibia. The Forum will be opened by HE Hifikepunye Pohamba, President of the Republic of Namibia.

Namibia is a vibrant and diversifying economy with established mining, agricultural, and tourism industries and access to 250 million consumers through the Southern African Development Community (SADC). The Forum will profile Namibia's national trade and investment strategies, as well as specific business opportunities in key sectors. It will also enable potential investors to meet with Government Ministers and senior Government officials as well as leaders of the domestic and international private sector. Please find attached the Forum programme for reference.

I hope you will be able to join us for this important event and we look forward to your response at the earliest opportunity.

Yours sincerely,

Mohan Kaul
